We're just two people with a passion for self care and crafting honest, natural, quality products. Life can be so busy and stressful sometimes which is why our philosophy has always been to set aside a little time for yourself to unwind and recharge after a long day or week. Being a KHDW alumni, Soothing Sloth is very excited to be a part of this opportunity for dancers to raise money for their costumes and competition fees!

We are committed to making all of our products safe for adults and children to enjoy. All Soothing Sloth Soap Co. products are vegan, hand-crafted, sulfate-free, and NEVER tested on animals.

**5 oz Bath Bombs: \$5.00**

<p><b>Hey Girl:</b> Dive into a fresh pastel spring with this clean and floral bath bomb. Seemingly an ordinary white bath bomb, this little beauty will surprise you with shimmery pink waters and fragrances of gardenia, cherry blossom, &amp; cedarwood. This bomb also contains detoxifying clays and cranberry seed oil that are packed with antioxidants. Your skin will be saying "Hey girl, thanks!" after a long soak in this moisturizing bath.</p>	
<p><b>Wanderlust:</b> Let your desire to travel transport you with the help of this vibrant bath bomb. The clean, yet woody scents of mahogany, teakwood, and bergamot make for the perfect blend of clean Fall forest aromas. Watch as the soothing ribbons of blue and green foam transform into shimmering vibrant yellow bubbles packed with coconut oil and softening clays. This just might be our new favorite bath bomb!</p>	
<p><b>Treat Yo' Self:</b> What says treat yo' self better than bathing in shimmery gold water? We couldn't think of anything which is why we created this bath bomb for those who know how to look out for #1 (that's you). Treat your skin to a moisturizing bath full of coconut oil, avocado oil, and detoxifying clays. This bomb is bursting with scents of green tea, cucumber, and basil for a fresh day at the spa.</p>	

<p><b>Frotylicious:</b> A fresh and fruity bath bomb that will take you back to your childhood. Each bath bomb is unique in its coloring of electric blue and bright purple and the water color will vary from purple to blue. With a fruity fusion of berries and white tea and ginger, you will be sure to feel refreshed and ready to go!</p>	
<p><b>Diva:</b> You will love this KHDW exclusive in collaboration with Soothing Sloth! A lavishly lush blend of grapefruit, peach, cherry blossom and white jasmine paired with cranberry seed oil will keep your skin feeling soft and moisturized. It wouldn't be a true KHDW collaboration without a pink bath bomb packed with diamond sparkle glitter.</p>	

**2 oz Face Masks: \$7.00**

<p><b>Glow:</b> As the name suggests, you'll be glowing after using this naturally bright and earthy clay face mask. You might be thinking this has the possibility to go horribly wrong turning your face bright yellow, but we assure you it will only leave your skin feeling smooth and nourished. This Turmeric Clay Face Mask harnesses the properties of this powerful spice, along with luxurious ingredients like carrot seed essential oil and carrot extract. This mask is perfect for normal to oily skin types and has no added fragrance making it safe for even sensitive skin.</p>	
<p><b>Calm Down:</b> This mask is just as luxurious as the soft lavender color it takes on. A mix of argan and avocado oils help to revitalize while a reduced amount of clay softens the skin without drying it out. This mask gets its beautiful purple color naturally from purple Brazilian clay which also helps provide a thicker silkier texture to this product. Enjoy the aroma of lavender essential oil as this beautiful product gently conditions your face.</p>	
<p><b>What's the T?:</b> What's the T? Well, in this case it's tea tree! This thick face mask is perfect for those with oily skin and will dry in 10-15 minutes leaving your skin much smoother. The sea clay gives this mask a dark earthen gray appearance, but the tea tree essential oil provides a bright a lively scent that lasts.</p>	

**2 oz Lotions: \$7.00**

<p><b>Be Cool:</b>          Be Cool! Don't be all like, uncool... If you like a lotion that soaks right into your skin then you have come to the right place. This refreshing body butter is not quite as rich as our other body butters and will moisturize your skin without needing time to "soak in". The tea tree and peppermint essential oils mixed with scents of Madagascar vanilla create the perfect sweet and minty aroma.</p>	
<p><b>Thirst Trap:</b>          The thirst can be REAL in the fall and winter when it comes to dry skin. We developed this lotion as a more absorbent and moisturizing alternative to our rich body butters. A nourishing blend of avocado and rosehip oils mixed with aloe vera liquid tackle dry skin without that lingering greasy feeling. Moisturizing is cool, but what makes this product special is our new signature floral and sweet scent blend of cactus blossom and orchid flowers.</p>	
<p><b>Man Eater:</b>          Watch out boy, she'll chew you up! Well, not really, but this lotion will leave your skin feeling hydrated and silky smooth. We use a luxurious blend of nourishing avocado and rosehip oils for a lotion that lasts all day and won't vanish after you wash your hands. This new Fall fragrance blend of cranberry and fig smells sweet, yet sophisticated which is why we thought it would be absolutely perfect for those who love seasonal scents in their lotion.</p>	
<p><b>Diva:</b>          This lotion shares the same scent blend as the KHDW exclusive bath bomb. With scents of grapefruit, peach, cherry blossom and white jasmine, this lotion will leave your skin feeling silky smooth!</p>
