DECEMBER 2023

Dear Parents and Dancers:

We would like to take the opportunity to wish each and every family a very Merry Christmas and a Happy New Year! We are thankful that you have chosen our studio and hope that you have a safe and happy holiday season with your friends and family! Again, we are so glad you have chosen to dance with us, we truly enjoy working with each and every one of you!!

PARENT OBSERVATION

We will take videos during class this week and will upload them on Band for you to see how hard the kids are working and some of the things we have been working on in class. Please scan the QR code to watch the videos. Your dancers can also practice their dances at home!

COSTUME MEASURING & ORDERING

We have measured students for costumes in their classes. We make every effort to order an accurately sized costume for each child and we use the manufacturer's size chart to determine the correct size. Costumes come in predetermined sizes (small, medium, & large) and are not custom cut for each individual. Most students fall into more than one size and it is our policy to order the largest size she or he measures into. It is easier to take in a costume than to let it out.

Costumes have all been ordered, most balances have been posted on your portals. The rest will be posted throughout the next few weeks. Please pay the costume balances asap.
