INFORMATION:

Good communication will equal a successful dance season for your family! Our primary mode of communication is email. Please make sure we have your current email on file. You can log into your parent portal and verify your email anytime. You may also have multiple email addresses on file. We email important dates and deadlines, tuition reminders, studio newsletter, and studio updates throughout the season. You can also get information on our website:
www.khdanceworks.com

BAND APP:

We use BAND for students and parents to get information and we post choreography for our dancers to practice at home. Please be sure to join, the QR codes are posted on the front window in the lobby. Please be sure to scan the correct one.

STAFF:

Please feel free to ask our wonderful front desk staff any questions that you may have. Our staff is available during studio hours and happy to answer any questions or help however they can.

If you need to talk to your child's dance instructor, you will need to make an appointment. The teachers' schedules are very tight on dance days. You can do so by emailing khdanceworks@yahoo.com. Please include your name, a phone number or email for them to reach you, and a brief message. They will be happy to find a time to answer any questions you may have.

REGISTRATION FEES:

Each student is charged a non-refundable annual registration fee payable upon class registration. Please note your registration fee must be paid in order for your dancer to participate in classes.

IF YOU WISH TO WITHDRAW FROM A CLASS:

We understand that sometimes life has other plans, and your child may need to withdraw from class. You must email or come into the studio in person to notify us of the cancellation. The cancellation will be effective as of the next calendar month. Refunds will not be given for a partial month. Please note – nonattendance in a class is NOT considered notice, you must notify us to cancel a class.

TUITION:

Tuition is accepted by cash, check or credit card (VISA, MasterCard, AMEX and Discover). **ALL FEES CAN BE PAID THROUGH OUR WEBSITE.**

Tuition is due the first of every month. Dance is a 36-week season, tuition is broken down by month, therefore it remains the same whether it is a long (5-week) or short (3-week) month, regardless of absences, sickness, virtual classes, and cancellations due to inclement weather. You will be charged until written notice of class cancellation is received. No refunds or credits will be given for classes missed. The studio reserves the right to modify class schedule as deemed necessary. Please note a \$10 late fee will be strictly enforced if tuition is not paid by the first of the month. You can sign up for auto pay (forms available at the front desk), tuition will then be taken out on the 1st (unless it falls on the weekend then it will be done the following Monday). In the event of a check being returned, there will be a \$25.00 bookkeeping charge.

Payment options as follows:

- a) Annual, at the first lesson in September, with a 5% discount.
- b) Tri-Annual, at the first full week in September, December, and March with a 4% discount.
- c) Monthly, due the first of each month.

***If you are in multiple classes or receive a family discount the discounted tuition will show up when your tuition is posted each month.**

***If you are interested in paying yearly or tri-annually for a discount please email us back and we will figure that for you.**

We highly recommend filling out an auto pay form! This form must be filled out each year. If we had one on file from last year a new one must be filled out and turned in at the front desk.

What happens when my child misses class?

Good attendance is imperative because absences can hold back the entire class. Please make every effort to have your dancer at every class. We do recognize students with great attendance with a ribbon and name recognition in the recital program. Dancers may miss up to 2 classes and still be recognized as a Dedicated Dancer! We do use the Band App to post choreography once we start learning recital dances. You can practice or learn what you missed by watching the app.

RECITAL:

Dress rehearsal:
Thursday, May 14
(petite)
Friday, May 15
(grande)
Recitals will be
Saturday, May 16,
2026.

RECITAL FEE:

Each family will be charged a recital fee of \$55-\$60 (\$15 additional t-shirts). This fee will include a video link of our 30th annual recital, a recital program, and a finale t-shirt.

More information and a complete recital packet will be sent out in the spring.

COSTUMES:

There are two \$35 costume deposits per class that your child is in (combo classes have one costume). These deposits are due with your September and November tuition. The costume balance with sales tax, shipping, etc. will be posted in December and due by February 1. We try our best to keep your recital costume cost between \$70-\$80 per class. We know this can appear high, but this truly is a very low price in the dance world for costumes. We strive to keep costs modest. Costs may go slightly higher for competitive dancers. You will also need to purchase tights for your costume, a list of required tights will be in the February newsletter. If you drop a class after costumes are ordered, you will be required to pay the costume balance. They are not returnable.

HOLIDAYS:

The studio will only be closed for Thanksgiving Break, Winter Break and Spring Break. We will not be closed for other holidays. We will close for inclement weather only when deemed necessary. Decisions will not be made until 2:00 p.m. and announced on Facebook, Instagram, BAND APP, and email. See calendar on the last page for important dates!

STUDENT BREAKROOM:

The breakroom is for our older dancers to put their shoes on, wait between classes, eat, and do homework. Dancers should remove their belongings from this space and take them to class. Dancers WILL NOT be permitted to wait in the lobby/breakroom more than 30 minutes. This breakroom is a privilege. Dancers may lose their ability to use this breakroom if they do not act with respect for others and the studio.

DROP OFF AND PICK UP:

Please arrive right on time to class and have your student ready in the appropriate shoes. When the class is over the dancers will exit into the lobby. For the safety of our students please do not pull up in front by the door and wait. Please park and come in to get your dancer. When dropping students off please park, do not block the driveway. This is dangerous to those waiting on the highway to turn into the parking lot.

PARENT CODE OF CONDUCT:

As parents it is important to remain positive and supportive. If you have a concern, please address it with the front desk staff or schedule a time to meet with the instructor. Many concerns can be rectified with proper communication. If you have a question, please go directly to Kim or the front desk instead of asking other parents who may not have the correct information. If you have a concern, bring it to us directly, do not post it on social media.

The pews in the hallway are for the dancers to wait to go into class. Parents please do not line up in the hallway, please use the seating in the lobby or in the breakroom. We know this is a lot to take in and you may still have questions. We are here to help make your dance journey enjoyable. By working together, we hope to build a sense of family and community. Welcome to the family!

CLASSROOM ATTIRE:

Please make sure you are dressed appropriately for dance class. We ask that all dance attire be form fitting. Combo classes and ballet classes please wear tights and leotard. You may wear shorts over the leotard. All students must wear proper shoes. Female dancers can wear a tank, shorts, leggings, or yoga pants. No extra long or baggy pants, jeans, or jean shorts. Hair should be secured away from the face. Boys should wear t-shirts and athletic shorts, no jeans. Competition dancers please abide by the dress code in your competition team newsletter.
